6) Future Plans

Our Future

B-CP srl : we are too hungry . that's why we don't want to stop to grow now. Our aphorism is HIC ET NUNC it means in latin : Here and Now.

Why : the world is moving too fast and we can not stay behind.

When : for the next future we'll introduce more services and products. Every year our goal is to create more and more to get to the company the opportunity to grow

Where : we are working hard in Europe ; our next future is going to be in other international countries we've strategically selected and studied in the past.
